**METALLIC
MOMENT**

The Albemarle kitchen from McCarron & Co shows how you can include on-trend metallic details to add that extra luxe accent. Here, lacquered ash and stained oak furniture has been used with solid brass metalwork and Corian® worksurfaces for a design that really catches the eye. Prices start from £35,000.

What's COOKING in 2018?

We turn up the heat on the hottest trends to shape the kitchen this year
