AROUND 700 JOBS AT RISK AS B&Q RESTRUCTURES

INDUSTRIAL REVOLUTION

No longer confined to urban loft living, industrial-style kitchens are evolving from utilitarian designs to warm, tactile spaces that appeal to all

Words **Sam Guiry**

SPECIAL REPORT

MAYFAIR, FINSBURY & LANGHAM

Daval
Tel: 01484 848 500.
www.daval-furniture.co.uk
Daval's Mayfair, Finsbury and Langham cabinetry have been combined here to create a contemporary handleless kitchen in Steel, Slate and Dove Grey finishes. There is a choice of working storage solutions including a practical pantry arrangement, anti-fingerprint stainless steel drawers, glass design elements and electric wall units

DIESEL OPEN WORKSHOP

Scavolini
Tel: 07817 260 0990. www.scavolini.com
The Diesel Open Workshop kitchen features quartz worktops in a Motley matt finish and matt-lacquered doors in Dove Grey. It has a Stock Rack System of shelves and wall units with ribbed glass on the doors so items can be kept clean and dust-free while on display and it also features Soft Steel frames on the doors, said by Scavolini to be ideal for a busy kitchen

ALBEMARLE

McCarron & Co
Tel: 0207 584 5736. www.mccarronandco.com
The Albemarle kitchen from McCarron & Co met the clients' brief for a formal yet contemporary style of fitted furniture. Contrasting textures and materials were used with lacquered ash and stained oak combined with solid brass metalwork and Corian work surfaces
